Q2 DO I NEED TO USE MY MEAL VOUCHERS ON A SPECIFIC DATE?

Q3 CAN I ENJOY A DISNEY CHARACTER DINING EXPERIENCE WITH MY BREAKFAST OPTION?

Breakfast with Disney Characters can be added during the booking of your stay as an extra magical option (with an additional supplement) replacing one of the Disney Hotel breakfast vouchers, or on the top (at full price) if no Hotel breakfast is booked. However, this option is not possible for a guest who booked a breakfast in the Disney Parks or at Disney Village.

Hotel breakfast vouchers can also be accepted for a breakfast with Disney Characters for face value only. The price difference will have to be paid onsite.

Furthermore, lunch and /or Dinner with Disney Characters can always be added as an add-on of the stay during the booking process, as an extra magical option.

Character Dining is subject to availability at time of booking. The Character Dining Experience can be temporarily modified or suspended for any reason. We recommend booking a table as soon as your stay is confirmed using the Disneyland® Paris Mobile App.
